

PRELIMINARY AMENDMENT

New U.S. National Stage Entry of PCT/JP2005/001559

AMENDMENTS TO THE SPECIFICATION

Amend the specification by adding before the first line the sentence:

This application claims priority from PCT Application No. PCT/JP2005/001559 filed January 27, 2005, and from Japanese Patent Application No. 2004-018524 filed January 27, 2004, which applications are incorporated herein by reference.
